

NERI

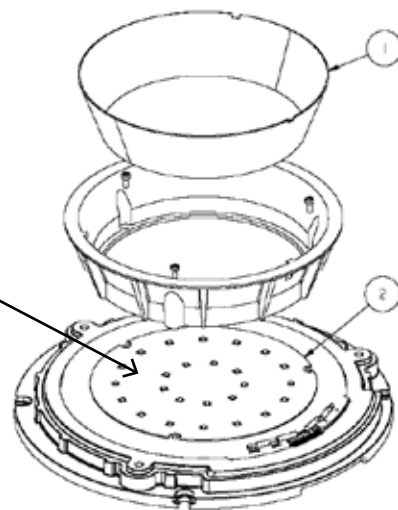

Hydra system, designed by Makio Hasuike, is the synthesis of comfort brought to its best expression. Hydra suits perfectly the parks and city centres thanks to its spheroid shape and can add an unusual, dream-like, almost lunar touch.

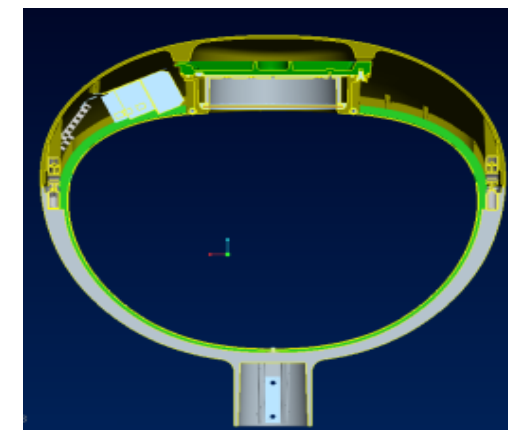

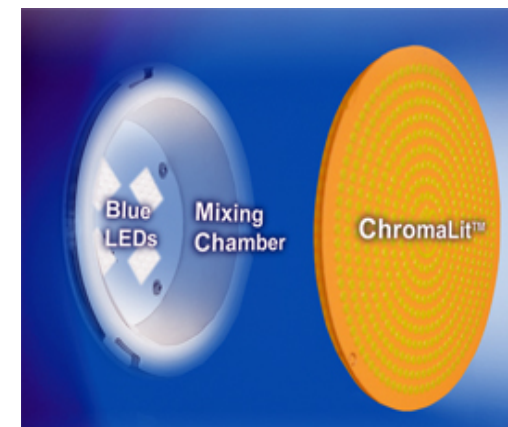

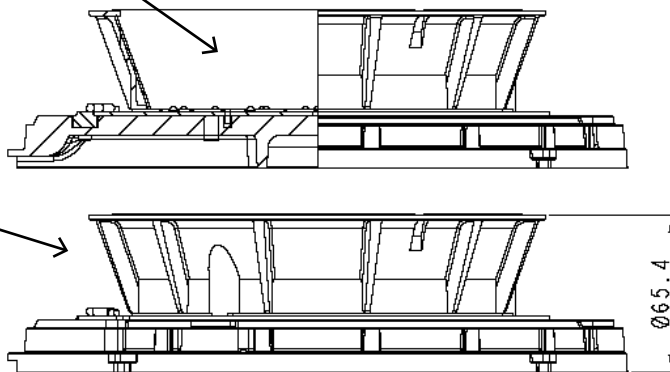

Il sistema Hydra, a firma del designer Makio Hasuike, è la sintesi del concetto di comfort portato alla sua massima espressione. Hydra è adatto ai giardini e centri urbani ai quali, grazie alla sua forma sferoide, può regalare un tocco inusuale, onirico, quasi lunare.

Remote phosphor

- 25 LED Royal Blue
25 LED tipo Royal blue
- Mixing chamber,
with reflexion ratio of 98%
**Camera di miscelazione,
con coefficiente
di riflessione del 98%**
- Phosphor glass
Vetro con fosfori
- Integrated heat sink
Dissipatore integrato
- NTC temperature control
**Controllo della
temperatura NTC**

SEZIONE C-C

Lighting data

SUPPLY VOLTAGE

220-240V with
50/60Hz frequency

SURGE PROTECTION

6kV L-N / 10kV L/N-frame

POWER SUPPLY

Programmable Electronic

POWER FACTOR CORRECTION

PFC > $\cos \varphi$ 0.9

ELECTRICAL INSULATION

Class II

ENCLOSURE PROTECTION

IP66 optical compartment

Water and dust IP43

Mechanical impacts IK06

PLANNING INFORMATIONS

For information related to the combinations between flux size options, power and colour temperature see the web site
